Italians and America

Dr. Luca Cottini

Fall 2018 - Tue-Thur 2:30 – 3:45 (Taught in Italian)

VILLANOVA
UNIVERSITY
College of Liberal Arts
and Sciences

How do Italians imagine the United States? How is Italy constructed in American culture? This course explores the Italian “visions” of America and the American encounters with Italy from the 18th century to the present, through literature, architecture, cultural history, cinema, and advertising.
